**SALE STARTS AT 12:30 P.M. — SELLING 55 LOTS**

<b>9 Top Young Herd Bull Prospects</b>	<b>24 Bred Cows and Heifers,</b> many of them right up to calving
<b>12 Cows with Calves at Foot</b>	<b>10 Open Heifers</b>

Subdivision of the Dooley farm in north Topeka requires that this dispersion be made at this time. The herd was started with top purchases made in 1945 of Tomson Bros., Sni-A-Bar Farms, Marellbar Farms, Geo. Struve & Son, Carl Retzlaff & Sons, Alcona Farm and Highland View Farm cattle.

This is a good working herd that has produced it's share of show winners and sale toppers in Kansas State Fairs and Mid-Kansas and Kansas State Shows and Sales. Only the show bulls and sale heifers carry any fitting. Everything else sells in "Off-Grass" pasture condition.

**WEBB DOOLEY, TOPEKA, KANSAS** — sells 5 bulls, including 3 two-year-olds that have been used in light service; 1 by the Mid-Kansas champion, Elcona Robin Standard whose sensational calf crop featured the I. J. Spitzer sale last December; 1 by Melbourne Leishman whose full sister was the 1958 Kansas State Fair reserve grand champion female; another by Elcona Royal Standard, grandson of the International grand champion, N-Bar Prince and 2 young junior calves by the Nebraska Futurity champion, Braemor Baronet. He sells 12 cows with calves at foot, 24 cows and heifers close to calving and 10 open heifers. There will be daughters of Elcona Elvin, Elcona Robin Standard, Melbourne Leishman, Elvin's Heir, Gregg Farms Climax, Calrossie Imperial, Marellbar Duplicate, Camson Cupbearer, Elcona Royal Standard, Braemor Baronet and Cruggleton Pacha.

**SCHREIBER FARMS, ST. JOSEPH, MISSOURI** — as a guest consignor sell 4 strong yearling bulls, ready for service. They are right out of their 1960 show herd and include an outstanding April yearling by the well-known Louada Principal whose dam is by Lawton Benefactor; 1 by Leveldale Oberon, \$13,200 top selling bull in the 1957 Mathers Sale; 1 by S F Whipper by the \$35,000 Leveldale Basis and 1 by Ringwell Star, great breeding son of the International grand champion, Ringwell Lodestar.

## GENERAL INFORMATION

**LOCATION** – The sale will be held at the Webb Dooley farm located 2 miles north of the junction of Highway Nos. 24 and 75 in Topeka, Kansas.

**TERMS** – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** – All cattle will be sold under the guarantee of the American Shorthorn Breeders' Association.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS** – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Ted Aegerter of the American Shorthorn Breeders' Association, Seward, Nebraska; or to the press representatives, Jim Orton, Kansas Stockman; Mike Wilson, Kansas Farmer, Topeka, Kansas; or to Lot Taylor, Sec'y, Kansas Shorthorn Breeders' Association, Manhattan, Kansas.

**AUCTIONEERS** – C. D. Swaffar, E. T. Sherlock and Jacob Ulrich.

## **SALE DAY MESSAGES . . .**

Telephone messages to the Sale Manager or to any of the Fieldmen on sale day should be made to the Webb Dooley residence, Tele. No. — Central 43895 at Topeka, Kansas.

## **THE DOOLEY FARM IS EASY TO REACH . . .**

The farm is located on Highway 75 at the north edge of Topeka, 2 miles north of the junction of Highways 24 and 75 in Topeka. Buyers from a distance will find good air service on major airlines and good rail and bus service into Topeka and if in need of transportation upon arrival, call the Webb Dooley farm.

## **HOTELS AND RESERVATIONS**

Excellent hotel and motel accommodations will be found in Topeka, all within a short driving distance of the farm.

# WEBB DOOLEY Dispersion Sale

## HERE'S ONE OF THE BETTER BUYING OPPORTUNITIES OF THE ENTIRE FALL SEASON

During the past 15 years, Webb Dooley has been a familiar figure as a buyer, as a showman and as a seller at many of the Midwest top events. He retired from his Topeka business interests a few years ago and since that time has been devoting most of his time to this select herd of Short-horn cattle, which have been carried on his farm adjacent to the Topeka city limits. As is the case with cities everywhere, Topeka is growing and subdivision of the Dooley farm requires that this dispersion sale be made at this time.

This is a good working herd that has produced its share of show winners and sale toppers. Most of the cattle will sell in just pasture conditions with no extra fitting.

Webb Dooley has always paid a great deal of attention to pedigree and blood lines as well as individuality. For example, in the 1953 Highland View Farms Dispersion Sale he bought the five-year-old Calrossie Clipper Eileen that had already produced as her first calf, the \$6,000 Calrossie Captain John. This cow and 5 of her daughters and many granddaughters, make one of the important breeding families available to buyers in this sale.

Many of the Dooley champions as young heifers were returned to the breeding herd and they and their Get are included.

Webb Dooley has bought good bulls, used good bulls and sold some good bulls. One example is the 1958 Mid-Kansas champion, Elcona Robin Standard purchased as a junior herd sire in the Elcona Farms Dispersion Sale. He was later sold to I. J. Spitzer in whose sale last fall, 24 cows with calves at foot by him averaged over \$500.

Important to the buyers is the fact that Schreiber Farms, St. Joe, Mo., as guest consignors are bringing 4 young herd bull prospects to this sale.

Here then are cattle that are bred to reproduce as they have already proven. The breeding and quality is there, there's been no extra fitting, so smart buyers should be able to do a good job of adding to their breeding programs with purchases in this sale. Here's a set of cattle that buyers from a distance should make every effort to attend.

CAMSON CUPBEARER — We purchased this imported bull from Carl L. Retzlaff & Sons, Walton, Nebr. in 1955 after he had done a remarkable job of siring a great many burly-headed, heavy-boned, rugged cattle for them. They had paid \$2,500 for him in the 1952 Grant Campbell sale in Canada. In the 1950 Perth Sale, 11 sons of Calrossie Cupbearer set an all-time high average of 2,259 pounds and Mr. Campbell thought Camson Cupbearer was the best imported-in-dam bull he had ever offered. Six daughters and many of their descendants sell in this sale.

WOODSHADE KINSMAN -- Sired by Ringwell Star, by the International grand champion bull, Ringwell Lodestar. Ringwell Star was one of the first sons of the International grand champion and was purchased in the Chicago International sale for \$2,500. He did a great job, siring many winners and top-sellers and was a stall mate to Ringwell Lodestar 2nd, his half-brother that is doing such a great job for John Shuman at Deertrail, Colo.

## THE NEXT 46 LOTS OF FEMALES INCLUDE EVERY MEMBER OF THE DOOLEY BREEDING HERD

They have been cataloged entirely by age and it can be easily and readily seen by checking each year's calf crop that all of these older females have been regular producers.

This sale will be held on the Saturday following the State Fair at Topeka. All of the Schreiber sale bulls can be seen in the Schreiber show herd at Topeka, earlier in the week. Also plan to inspect the Dooley offering while you are attending the Topeka Fair and Shorthorn Show.

CALROSSIE CLIPPER EILEEN - We purchased this imported Calrossie Clipper cow in the D. W. Bishop Dispersion sale. She is the mother of the \$6,000 Calrossie Captain John and her daughters and granddaughters selling in this sale have been our very best producers and individuals. One of the best calves she has produced for us was 2nd top in the 1954 Retzlaff sale. Her sire, Cruggleton Pacha was purchased at Perth for 1,000 gns. and exported to South Africa where he has been the supreme champion at Johannesburg and other shows. The maternal grandsire, Aldie Aristocrat, was reserve champion at Perth in 1938. Calrossie Clipper Eileen is a uterine sister to Calrossie Knockout that sold for 5,200 gns. to Strathallan and to Calrossie Clipper Evangeline, dam of Calrossie Sportsman, purchased for 5,000 gns. at the 1950 Perth sale by Mr. Cyrus Eaton, Northfield, Ohio. Has a red, June 26th heifer calf at foot by Bardee Leishman. 5 daughters sell in this sale.

## **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
